WebGL

Education

Bachelor of Science: **Computer Science**   06/2022

Coastal Carolina University   Conway, SC

Work History

Intern   Jun 2021 - Sep 2021

Boston Realty Advisors   Boston, MA

As an intern at Boston Realty Advisors I joined an innovative group looking to increase traffic on their website and also possible leads for sales and rentals of properties.

- Contributed on weekly meetings to work on design and efficiency of the website.
- Added and Updated property listing pages on the website while providing sufficient information about the listing.
- Helped clean up a database of home owners information in towns and cities around the boston area that would be sent out weekly to generate leads.
- Created a list of homeowners in Nantucket, MA accurately listing the owners of each home on the island using land records and research for each individual property.
